

# Nicola Brown

Producer Director

Nicola's work includes the award winning impact campaign Our Blue Planet that ran alongside television series Blue Planet II. More recent projects include Our Frozen Planet, a digital campaign about climate change connected to series Frozen Planet II and Wild For All, a campaign about reconnecting with nature alongside Netflix series Our Great National Parks with Barack Obama. As well as the Sea Our Future campaign, an ocean focused collaborative storytelling project with communications specialists Heard that with its first campaign, set out to engage LGBTQ+ audiences in ocean health in partnership with Attitude Magazine.

Nicola is continually looking to find new ways to tell natural history and conservation focused stories, striving to reach new audiences and to encourage important conversations and change.

Nicola lives in Bristol with her dog Otis, in her spare time she loves hiking up mountains, swimming, dancing and cooking.
